LOYOLA COLLEGE 2021 CHRISTMAS CELEBRATION REPORT

The spirit of Christmas recognises that God never gives someone a gift they are not capable of receiving. If He has given us the gift of Christmas, it is because we all have the ability to understand and receive it. And that's our LOYOLA, and what Loyola is giving for us.

Ambient Planning

The Faculty members emerging out of the faculty meeting had an on-whatsapp consult regarding the roles and committees. There was an agreement regarding the process:

1. Make it a scaled up event as endorsed by the staff-meeting against a suggestion to have micro-groups and interdepartmental competitions
2. Cost-cutting was put aside considering the fact that we had had no celebrations on Campus Loyola and even the present seniors had no experience.

Then, the whole college has divided into 4 groups respectively, according to their own preferences into the committees.
